2. Policy on payment of registration fees. Provisional suspensio membership

At its meeting on 1 March 2008, the World Scout Committee carefully considered the situation of the two only Member Organizations which had still not paid their registration fees for fiscal year 2006-2007. It therefore had no alternative but to reconfirm the full application of the provisions of the Policy on payment of registration fees to these two Member Organizations.

It is the sincere hope of all that those two Member Organizations will very soon be reinstated in their full rights and obligations as full Members of WOSM.

To support Strategic Priority 4: Reaching Out, the following two publications have been produced and mailed in the recent Scoutpak: Guidelines on Scouting for People with Disabilities Guidelines on Scouting for Children in Especially Difficult Circumstances.

Both publications have been developed building on the good practices that already exist in NSOs. They provide key information necessary to help NSOs take the first steps in including people with disabilities and children in especially difficult circumstances in Scouting.
