3rd Asia Pacific Poster Competition – 2007

Dear Colleagues,

All National Scout Organizations in the region are invited to participate in the 3rd APR Poster Competition during the 22nd APR Scout Conference in Tokyo. As you may recall, this competition is a special event held every regional conference period.

Objective of the Competition

To provide opportunities for sharing creative ideas in the promotion of Scouting through existing posters.

Themes

1. Posters promoting Scouting programme
2. Poster promoting membership growth
3. Posters promoting a fundraising event

Message

Each poster must project its message or with a caption relevant to the theme. Wordings could be in any language but a written translation in English should be attached.

Participants

All NSOs can participate in any or all the three thematic areas. However, only one entry is allowed for each theme for a maximum of three entries per NSO. Designers of the posters may or may not be Scout members for as long as the posters are made for Scouting use.

Specifications

Entries may be currently in use at any level – district, province, national – or may be a digital reproduction of old posters, provided these have not won any competition. Every entry must be a printout poster (computer or press printout), not "one-of-a-kind" poster like a painting.

Poster size must not be smaller than 25 cms x 35 cms and not bigger than 50 cms x 60 cms.

Submission

NSOs should indicate their interest to join the competition using the attached reply slip. All entries are to be submitted by the NSO to the APR secretariat upon the delegation's arrival at the conference. All entries will be displayed at the exhibit area. Extra copies may be brought as give-aways for interested parties at the conference.

Panel of Judges

Judges will be selected from among the conference participants, ideally from countries (including other regions) not represented in the competition.

Prizes and Awarding

Top three posters of each theme will be selected: 3 for first place, 3 for second place and 3 for third place. All nine winners will receive plaques during the awarding ceremony on 23 October of the Regional Conference. All participating countries will receive certificates of participation.

Attached is the reply slip for participation to be sent back to APR office not later than 31 July 2007.

Yours sincerely,

Abdullah Rasheed
Regional Director
