CIRCULAR N° 21/2004

To: International Commissioners

12 July 2004

Scouts of Namibia

Dear colleagues,

Scouts of Namibia was recognized by the World Scout Committee as an Accredited National Scout Organization in 1990, when its membership was less than the 1,000 required for full Membership of WOSM.

Since that time, the membership of the Association has grown and is now estimated to be approximately 1,500. The Association now fulfils all the requirements of Article V.3 of the WOSM Constitution and full WOSM Membership is therefore now possible; indeed, status as an Accredited National Scout Organization is no longer appropriate.

The World Scout Committee, on the recommendation of the Constitutions Committee which has approved a revised constitution of the Scouts of Namibia, therefore recommends that Scouts of Namibia be admitted to full Membership of WOSM.

Under the terms of Article VI.2 of the WOSM Constitution, "if within three months the recommendation is unopposed or opposed by less than five per cent of the Member Organizations", Scouts of Namibia will be declared a Member, as the National Scout Organization of Namibia, of the World Organization of the Scout Movement as from 12 October 2004. Affirmative votes are not required.

Yours sincerely,

Eduardo Missoni
Secretary General
