37th World Scout Conference 2005 Tunisia Call for Agenda Subjects

Dear colleagues,

In accordance with the Constitution and By-Laws of the World Organization (By-Law I Section 2), the World Scout Committee invites Member Organizations to propose subjects for inclusion in the agenda of the Conference in Tunisia.

The World Scout Committee has decided that the Conference will focus on the Strategy for Scouting with the motto "**Breaking down Barriers**".

Pursuant to the work on the Strategy, the programme of the Conference will concentrate particularly on the achievements related to the three top priorities adopted by the World Scout Conference in Thessaloniki: Youth Involvement; Volunteers in Scouting; and Scouting's Profile, including communications, partnerships and financial resources. The Conference will also consider the priorities for the next triennium and the means of evaluating the impact which the Strategy is having on Scouting.

An emphasis will be put on the challenges related to the celebrations of the Centenary of Scouting 2007, particularly on the "Gifts for Peace" programme and on how to help National Scout Associations to celebrate the Centenary of Scouting.

If you wish to propose subjects for inclusion in the agenda of the Tunisia Conference, please advise the World Bureau **by 10 October 2004**.

Yours in Scouting,

Eduardo Missoni
Secretary General
