ScoutPAX CD-ROM

Dear International Commissioners,

Please find enclosed the ScoutPAX CD-ROM, a planning and activity resource to help Scouts and their leaders at all levels of the Movement to plan and develop a Gift for Peace.

ScoutPAX contains information, planning guides, activities, web-links, stories from National Scout Organizations and examples of projects for Scouts of all ages.

ScoutPAX is available online at **www.scout.org/scoutpax** in English and French. The resource will be translated into Spanish, Arabic and printed copies will be available in the near future for National Scout Organizations with limited access to computers.

Please promote ScoutPAX and encourage Scouts to use it at local and national level. Leaders can identify and use the parts that are useful to their community and projects, translate relevant sections into local languages, distribute copies of the kit to other leaders and navigate and explore the links.

I wish you every success with your national Gifts for Peace Projects and look forward to receiving progress reports throughout 2006.

Yours in Scouting,

Eduardo Missoni
Secretary General
