## **CIRCULAR**

April, 2002

### **Circular No. 10/2002**

- To:
- International Commissioners
  - World Scout Conference delegation leaders

Dear Colleagues,

### **Displays at the 36th World Scout Conference**

All Scout organizations are invited to display information about Scouting in their country at the 36th World Scout Conference, which will take place on 15-19 July 2002 in Thessaloniki, Greece.

Displays are a good opportunity to:

- illustrate the Conference theme: "From Mission to Strategy";
- show your Organization's approach to the "Strategy for Scouting: achieving our mission";
- invite Scouts from other countries to attend events in your country;
- display new Scouting literature and other new Scouting materials;
- show successful activities, new ideas for training, public relations programmes, Jamboree-on-the-Internet, etc.

All display must be reserved in advance by using the enclosed form. Every effort will be made to provide good display positions for each organization reserving space. Space will be allocated according to the date the reservation is received.

When planning your display, keep the following points in mind:

1. Displays must be directly related to Scouting. Displays which are primarily political, or those which might offend delegates from other countries, will not be permitted.
2. Items cannot be sold at the displays because of various regulations, taxes, import fees, etc. You can provide order forms.

3. Displays should not contain any items which are valuable. It cannot be guaranteed that the display area will be protected at all times.
4. Electricity for displays will not be available.
5. All items in your display should be attached to the display panel, with double-sided tape. Tacks, pins, staples, etc. cannot be used. Tables will not be available.

We look forward to receiving your "Display Space" reservation form, and we thank you in advance for working to create a display which will help make the Conference a great success.

Yours sincerely,
