2007 Centenary Materials

Dear colleagues,

Our Centenary is fast-approaching. Are you prepared? Has your National Scout Organization declared a Gifts for Peace project? Do you have plans to celebrate Scouting's Sunrise? Are all of your Scouts involved in local Join-in-Centenary programmes?

2007 Overview Document

Please find attached a copy of the 2007 overview document. This document contains updated information on our plans to celebrate the 100th anniversary of Scouting and reflects the new brand identity of World Scouting.

Please use this document widely during our centennial year as a tool to highlight the key programmes and events taking place in 2007. The document is also available from www.scout.org in the 2007 Centenary resource section and can be downloaded to print and distribute, or to promote from your national websites.

2007 Promotional Cards

Please find attached a set of four cards that promote the Centenary of Scouting and the main worldwide initiatives: Gifts for Peace, Scouting's Sunrise and Join-in-Centenary.

These cards are being used at events to promote the various initiatives and encourage Scouts, former Scouts and the public to get involved in our exciting plans. The cards will be available to download from www.scout.org in English and French. National Scout Organizations can use the templates in the 'Design and Artwork' section of the website to create other language versions.

Please contact the World Scout Bureau central and regional offices for support and assistance and visit the website regularly for news and updates.

Yours sincerely,

Eduardo Missioni
Secretary General
