# Regional Director's Message

**J. Rizal C. Pangilinan**  
Regional Director

This year 2022 is another milestone for the Foundation as it celebrates its 30th anniversary.

I am overjoyed to have this opportunity to extend my deepest thanks and appreciation to everyone who has helped us to reach this milestone. Over the past three decades, we have seen the Foundation's humble beginnings, its growth, and its sustained support to Scout projects and NSOs.

At the heart of everything we do is a vision to create a better world for the next generation. As we enter a new chapter, the Foundation will continuously support the Scouts and Leaders in educational methods, communications, environment protection, and resources development.

We will abide by our duty to ensure that APR Scout Foundation remains true to its commitment to bring positive changes to communities through Scout projects.

To the Foundation Management Committee members, we convey our deep gratitude for your efforts to make the Foundation more effective. Our sincere appreciation to our Trustee, the Scout Association of Hong Kong, for their continued service and cooperation. And to our contributors, thank you for your continuous support. Your contributions go a long way to the development of Scouting and our young people.

Mabuhay!

**At the heart of everything we do is a vision to create a better world for the next generation.**

# Chairman's Message

## Amb. Ahmad Rusdi

Chairman, APR Scout Committee

My warmest greetings to the APR Scout Foundation as you celebrate your 30th Anniversary.

Over the years, the Foundation has made an immeasurable contribution to the development of Scouting in this great Region. The foundation has always been supporting the NSOs in so many ways like grants and financial assistance to many APR Scout events and NSO projects. Importantly, they continue to strive to achieve new milestones and extend their reach to those who are in need throughout the Region.

I believe that the greatest change happens when people come together in partnership, collaboration, and generosity. None of this would be possible without your help. On behalf of the Asia-Pacific Regional Scout Committee, I would like to express my sincere appreciation and gratitude to APR Scout Foundation and all the donors for their generosity and trust.

**To all Foundation members,  
I am grateful for your trust  
and for continuing to support  
the Foundation in different  
ways and capacities.**

To potential members, we highly encourage you to support the APR Scout Foundation by becoming a member. We invite you to share the experience of giving something worthwhile, to take part in changing lives and creating this world a better place for the young people.

# President's Message

**Dr. Chao, Shou-Po**  
President, APR Scout Foundation  
Management Committee

My dear fellow Scouters, supporters, and friends,

I am happy to inform you that APR Scout Foundation is celebrating its 30th anniversary in 2022. I am proud to say that with those 30 years, so much has been achieved by the Foundation. We all have made it because of the unwavering support of our friends in and outside Scouting.

With the vision to fund Scouting projects in the Asia-Pacific Region, the Regional Scout Committee in 1992 established the APR Scout Foundation with the donation by the Scouts of China in Taiwan of U.S. 10,000 dollars as the seed money for the fund. It aims to build capital funds through membership recruitment to assist the growth of Scouting and help in the community development by funding worthwhile projects of NSOs. A Foundation Management Committee is appointed every three years to oversee its affairs. The Scout Association of Hong Kong serves as the Trustee and the APR Scout Support Center as the Secretariat.

True to its commitment, The APR Scout Foundation has already supported 15 projects in the area of growth, community development, infrastructures, financial resources, emergencies or disasters, awareness, and many more through either grants or loans. Scouts are empowered. Lives are changed. The communities are developed, and income is generated through these projects.

Additionally, since 2009, several events conducted by NSOs were also funded by the APR Scout Foundation in partnership with the Asia-Pacific Support Centre. To date, the APR Scout Foundation continues to invite project proposals from NSOs and provide funding in NSO events.

The APR Scout Foundation also

continues to commit as an active partner for our NSOs global pandemic recovery. We, the Scouts, continue to prove our resilience amid difficulties. As the Scouts, we continue to impact the world by making it a better place.

Again, let me thank all our supporters who continue to believe in our cause. You are indeed making an impact in Scouting and communities. My sincere appreciation to NSOs for their continued support, our trustee - Scout Association of Hong Kong for handling well our funds, the Regional Scout Committee for the guidance, my colleagues of the Foundation Management Committee for working together to make sure Foundation operation is perfectly managed, and to our partner-World Scout Foundation.

Thanks to all!

**As Scouts, we continue to impact the world by making it a better place.**

# Trustee's Message

**Mr. Joseph Lau**  
Chief Commissioner  
Scout Association of Hongkong

Warmest greetings to everyone!

On behalf of the Scout Association of Hong Kong, the Trustee of the APR Scout Foundation, I am delighted to send my greetings and congratulations to APR Scout Foundation in celebrating its 30th Anniversary. From its very humble beginnings, we can see how it grows tremendously. From the US\$10,000 initial contribution received from Scouts of China, Taiwan, we now have a US\$2.9 million fund balance.

It is also remarkable how the APR Scout Foundation has impacted the communities through grants and continuous support to different Scouting projects and activities for the last 30 years. We are privileged to share the values of Scouts and a promise to help other people.

In line with our aim to achieve sustainable growth for APR Scout Foundation, we are happy to report that an investment with World Scout Foundation (WSF) earns great returns which enables us to support more Scouting projects and activities. We are sending our deep appreciation to the leadership of the WSF for this partnership.

As the Trustee of the Asia-Pacific Regional Scout Foundation since 1992, we are proud to be part of it and witness every success in assisting the growth and development of Scouting.

Lastly, I would like to express my sincerest thanks and appreciation to all the members who have greatly supported the Foundation with their resources. We want to assure you that your contribution will reach more communities and young people for whom we serve.

**We are privileged to share the values of Scouts and a promise to help other people.**

**What happened in the last 30 years?**

The project implementation has three phases. The first phase was from May 2013 to December 2015. More than nu. 100,000 were obtained from the total sale. The second phase is from January 2016 to December 2020. A total of nu. 50,000 were collected this time. The third phase is from January 2021 to the present. A total of 400 Billiards were replaced.
