Circular N° 31/2014

September 2014

**40th World Scout Conference:
Business Resolutions, Strategy for Scouting and World Triennial Plan**

Dear Scout Friends,

Attached you will find the Business Resolutions which were adopted by the 40th World Scout Conference. Some of these Resolutions include a call to action for National Scout Organizations, so I kindly ask you to bring them to the attention of your national leadership at the earliest possible moment.

Also attached are the amended versions of the Strategy for Scouting and the World Triennial Plan 2014-2017, as approved by the World Scout Conference. As you might remember Business Resolutions 6/14 and 7/14 referred to these documents and they were also approved as amended in plenary during the Resolutions Session.

The World Triennial Plan 2014-2017 will now be considered alongside the other Business Resolutions and outcomes of the World Scout Conference by the World Scout Committee in the months to come. As outlined in Resolution 7/14, the WSC will use all this input to develop a final version of the World Triennial Plan 2014-2017 which will be shared with National Scout Organizations once approved by the WSC, and no later than 1 January 2015.

Yours in Scouting,

Scott A. Teare
Secretary General, WOSM
