PARTNERSHIP NETWORK MEETING

PORTO - PORTUGAL, OCTOBER 2014

Dear participant,

Here you have some useful informations about the next Partnership Network Meeting that is taking place in Portugal next October (10th -12th).

Below we present some answers to questions that may arise about this event:

What is the event?

This meeting is organised by The Partnerships Network which aims fostering, strengthening and developing new partnerships between associations in Europe and associations from other regions of the world.

Who can participate?

The target group of the Partnerships Event are Organisations/Associations and member organisations from WOSM and WAGGGS, particularly from Europe, that are interested in the topic.

Which are the main objectives?

The overall idea of the network is to share and create information about on-going partnerships, as well as to provide a platform for the exchange of experiences and knowledge. A continuous reflection on the relevance of partnerships, as well as the promotion of inter-cultural understanding and mutual respect are central elements of the Partnership Network.

Where is going to take place?

The event will take place in [Porto](#).

The facilities ([Casa Diocesana Seminário de Vilar](#)) are located near the center of Porto, close by the Gardens of Crystal Palace and Casa da Música, with a spectacular view to the Douro's river and the Atlantic Ocean. Only a few minutes away, you can find the most important sights and cultural spots, as well as the famous Ribeira and Foz do Douro.
