WHAC CHAIRMAN MESSAGE

“As the Bronze Wolf Award is the highest World Scouting honour that is given to an adult volunteer in Scouting, I am reminded that it is an opportunity to thank those Scouters who have contributed exceptional, noteworthy, and extraordinary service and dedication over many years of volunteer work whilst successfully implementing the Scouting program.

The Bronze Wolf is given to people that have encouraged and exemplified the virtue of good citizenship, shown ongoing initiative, leadership and dedication, devoted themselves to sustained and selfless voluntary service and earned the respect of their peers.

Remember to say thank you to such people and be proud of their achievements.”

WORLD SCAUT COMMITTEE CHAIRMAN MESSAGE

“To say “Thank you!” is important. In a value-based movement like Scouting is even more important, since most of the adults involved (and the youth), volunteers or professionals, driven by a burning passion for what we are, go beyond what is expected from them and put themselves at the service of others in the most outstanding manner.

The Bronze Wolf is an opportunity for WOSM to recognise and say “Thank You!” to those men and women that excelled in serving this organisation. They may be more more visible or more discrete. They may have contributed with their talent, their wisdom, their generosity, their persistence or their time. But they all have made WOSM better and bigger. And, also because of them, we were able to better serve millions of people throughout the globe.”

João Armando Gonçalves
Chairman, World Scout Committee

WOSM SECRETARY GENERAL MESSAGE
