i. Introduction to Decision-Making in WOSM

These WOSM Resolution and Amendment Guidelines apply to the drafting, review and amendments of Business Resolutions to the World Scout Conference. These guidelines are designed to be used by Member Organizations (MOs) and their delegates to help them better understand the process of drafting and amending Resolutions as well as what is needed for putting forward an Emergency Resolution if needed. The guidelines will also be used by the Resolutions Committee to guide their support to MOs and in reviewing Resolutions, Amendments and Emergency Resolutions.

These WOSM Resolution and Amendment Guidelines are a resource supporting the 42nd World Scout Conference Rules of Procedure (RoP). The Guidelines will walk through the process involved in drafting a Resolution, how to submit, timeline, considerations, and structure, providing some clear questions to keep in mind when putting a Draft Resolution text together for the World Scout Conference. At the end of the Resolution and Amendment Guidelines are also sections regarding the process and expectations for Amendments and Emergency Resolutions.

1. Draft Resolutions

1.1 Proposing a Draft Resolution

MOs proposing Draft Resolutions are encouraged to reach out to their Region and/or the World Scout Conference Resolutions Committee to gain support in developing Draft Resolutions. The Resolutions Committee is appointed in advance of the World Scout Conference to allow them to follow through on their functions, highlighted in their Terms of Reference Annexed to the World Scout Conference Rules of Procedure. An important function of the Resolutions Committee is supporting MOs.

1.a) To assist Member Organizations in drafting resolutions to ensure that Draft Resolutions, Amendments and Emergency Resolutions comply with the Resolution and Amendment Guidelines.

If you are considering proposing a Draft Resolution to the World Scout Conference, please contact the World Scout Conference Resolutions Committee for support. They can be reached through the following email address, resolutions@scout.org.

1.3 Considerations

MOs should take the following into consideration when drafting resolutions:

1. **Purpose of Resolution**: Accordance with Articles I, II.1 and IV.2 of the WOSM Constitution
   - Ensure that the Draft Resolution is in line with the purpose and vision of WOSM.

2. **Policy**: Accordance with Article X.1(a) and X.1(b) of the WOSM Constitution
   - Ensure that if the Draft Resolution deals with a matter or a policy affecting WOSM, it will be possible for the World Scout Committee or World Scout Bureau to implement.
   - If the Draft Resolution conflicts with any present policies of the Scout Movement generally or of any MOs, explain why.

3. **Scope**: Accordance with Article XIV.1(a) and XIX.1(a) of the WOSM Constitution
   - Consider if the World Scout Committee will be able to give effect to the Draft Resolution.
   - Consider the estimated resources that would be needed to implement the Draft Resolution.
   - Consider the WSB staff resources and WOSM financial resources needed to implement the Draft Resolution.
   - Consider, if applicable, the feasibility for MOs to implement the Draft Resolution.

4. **Historical**:
   - Ensure that historical decisions and proposals of WOSM are taken into consideration.

1.3.1 Purpose of Draft Resolutions

When drafting resolutions, consider and make clear how the Draft Resolution aligns with WOSM’s purpose and principles. The purpose and principles are outlined in the WOSM Constitution and provide a broad overview of the WOSM’s organisational focus.

Consider how the Draft Resolution aligns with WOSM’s Vision. For example, how will this Draft Resolution better help the WOSM meet its objectives within Vision 2023?

Having Draft Resolutions that are aligned with the WOSM’s Vision helps to ensure that their implementation can fit within current committees, working groups, and particularly budget allocations.

ARTICLE IV
Purpose of World Organization
2. The purpose of the World Organization is to foster the Scout Movement throughout the world by:
(a) promoting unity and understanding of its purpose and principles,
(b) facilitating its expansion and development,
(c) maintaining its specific character.

1.3.2 Policy

Any Draft Resolution being proposed that concerns WOSM policy matters needs to take into account the affects it will have on the overall Organization as well as MOs’ own policies.

It is important to take the time to review any current and other possibly related policies and clearly reference these within the Draft Resolution. Be aware that changes to one policy might very well imply changes/adaptions in other policies.

If fundamental policy changes are being proposed, they should be in line with furthering the Purpose of WOSM. See Articles of the Constitution above referring to Purpose and Principles and Article X below.

Keep in mind the submission deadline of 6 months in advance of the World Scout Conference to receive Constitutional Amendment Resolutions and other Draft Resolutions of significant changes to policy.

Please refer to RoP Rule 6.1.d for the full list of Draft Resolutions that fall under this 6-month submission deadline.

Applicable Article from the WOSM Constitution

ARTICLE X
Functions of World Scout Conference
1. The functions of the World Scout Conference are:
(a) To consider the policy and standards of the Scout Movement throughout the world and to take such action as shall further the purpose of the World Organization.
(b) To formulate the general policy of the World Organization.

1.3.3 Scope

Any Draft Resolution being proposed must be within the scope of the functions of the World Scout Committee and World Scout Bureau as laid down in the WOSM Constitution, and must be financially realistic.

At times, the World Scout Conference makes direct requests of MOs to fulfil a Draft Resolution or portion of a Draft Resolution. It is important to consider if MOs are able to implement these Draft Resolutions.

Determining oversight, accountability of implementation, and estimated financial requirements are important to assessing the practicality of a Draft Resolution. A Draft Resolution must be practical so that it can be implemented as expediently as possible.

Applicable Articles from the WOSM Constitution

ARTICLE XIV
Functions of World Scout Committee
1. The functions of the World Scout Committee are:
(a) To act on behalf of the World Scout Conference between its meetings; to give effect to its decisions, recommendations and policies; and to represent it at international and national events.
ARTICLE XIX
Functions of World Scout Bureau

1. The functions of the World Scout Bureau are:
   (a) To assist the World Scout Conference, the World Scout Committee and its subsidiary organs in the fulfilment of their functions; to make preparations for all their meetings; and to provide the necessary services for the implementation of decisions.

1.3.4 Historical

Past decisions and Conference Resolutions should be taken into account when drafting resolutions. The following questions should be considered and addressed:

- Has there been previous decisions or resolutions concerning the subject of the Draft Resolution?
  - If yes, then:
    - What is the perceived impact of that previous decision/resolution?
    - What is the current status of that previous decision/resolution?
    - What difference would this Draft Resolution bring?
    - Is there an existing resolution that supports this Draft Resolution?
    - If the Draft Resolution is passed, would this cause an existing resolution to be void or need amending?

To assist with finding historical resolutions of WOSM, all World Scout Conference Business Resolutions back to 1920 have been compiled into two documents; one in English and one in French. These provide an easy way to search all previous World Scout Conference Business Resolutions. There is also a detailed index at the end of each document to assist with finding desired resolutions. See the full PDF on the Online World Scout Conference Resolution Database. All the World Scout Conference Business Resolutions from 1920 onwards are entered into a searchable online database for MOs to access. See the Online World Scout Conference Resolution Database.

1.4 Drafting a Resolution

1.4.1 Language

Draft Resolutions must be submitted to the World Scout Conference in either English or French. The World Scout Bureau will take charge of the translation. If resources allow, the World Scout Bureau will also endeavour to translate and circulate the Draft Resolutions in the other 3 working languages of WOSM.

In case your delegation feels the translation provided does not reflect the spirit/substance of the Draft Resolution in its original language, please contact the World Scout Bureau directly through resolutions@scout.org.

When writing a Draft Resolution, ensure that the style of writing and word usage is not complex. Short sentences, basic words and clear descriptions are useful to support inclusiveness. Respecting cultural and language diversity will ensure that everyone feels included in the process and understands the Draft Resolution as fully as possible.

1.4.2 Structure of a Draft Resolution

The following is a Sample Resolution showing how a Draft Resolution can be written. A resolution has 3 parts: Heading, Pre-ambulatory Clauses and Operative Clauses.

It is important to note that a World Scout Conference Resolution targets and addresses issues at the highest governance level and should not be so detailed that it crosses into the operational realm.
Sample Draft Resolution

Draft Resolution Title:
A concise title that clearly represents the aim of the resolution.

Pre-ambulatory Clauses: These clauses state all the issues requiring resolution. They include the reasons why this issue is being worked on and highlight previous international actions.

Operative Clauses: These clauses state the solutions being proposed to resolve the issues. The Operative Clauses should address the issues specifically mentioned in the Pre-ambulatory Clauses above it.

World Scout Youth Involvement Policy

The Conference

- Recognising the value of involving and including young people in decision-making for achieving the purpose of Scouting, [use commas to separate pre-ambulatory clauses]
- Considering that Scouting is a Movement of young people, supported by adults, with whom healthy partnerships are established,
- Noting the findings and conclusions of the Assessment Report of the World Scout Youth Forum and Youth Advisors System, which concludes that more work needs to be done,
- Being aware of the individual and organisational benefits of having young people actively involved at all levels both within the Movement and in the society,
- Believing in the active role that young people can play in creating positive change, inside and outside Scouting,
- Recognising the importance of providing opportunities for young members to experience leadership roles and develop 21st Century skills,

• Adopts the policy text contained in Conference Document 9 as the World Scout Youth Involvement Policy; [use semicolons to separate operative clauses]
• Strongly urges National Scout Organizations to implement the policy at all levels within their own organisations by putting a supporting framework in place;
• Requests the World Scout Committee to consider all means by which the policy may be implemented within the World Organization at regional and world levels, including an ongoing review process. [end resolutions with a period]

1.5 Submitting a Draft Resolution

See RoP Rule 6.1 for details on who can submit a Draft Resolution to the World Scout Conference and how this process works.

After following the considerations of drafting a resolution above, submission of a Draft Resolution can be done by filling out the Draft Resolutions Template and emailing it to resolutions@scout.org. The Draft Resolutions Template includes the following:

- Name of Proposing MO, country and signature of official representative
- Name of Seconding MO, country and signature of official representative
- Place for a brief explanation or justification for the Draft Resolution
- Draft Resolution Text (Title, Pre-ambulatory clauses and Operative clauses)

It is not necessary to submit the above Workbook with a Draft Resolution; this is simply a resource to help with the drafting process.

Please ensure that the Draft Resolution Template, before submission, includes a signature of the official representative of the MO proposing the Draft Resolution and also of the MO seconding the Draft Resolution.

Upon submission of a Draft Resolution, the World Scout Bureau will put together a Background Information document providing a neutral reality check on information pertaining to the Draft Resolution. This will include financial, historical, policy and human resources information and the estimated effects of implementing the Draft Resolution might have on these areas and the Organization.

When this Background Information document has been created, it will be shared with the proposing MO, giving the MO the ability to provide comments and feedback on the proposed document.

Any MO that proposes a Draft Resolution will be expected to support it and needs to be prepared to assist with presenting it during a webinar prior to the World Scout Conference.

The MO also needs to be available to discuss it during any breakout session at the World Scout Conference and to speak to it during a plenary session.

1.6 Withdrawing a Draft Resolution

If a MO wishes to withdraw a Draft Resolution, this can be done at any time until the moment it is due to be presented at the World Scout Conference. Withdrawing a Draft Resolution can only be done by the proposing MO, not by the seconding MO or any other MO.

A request to withdraw a Draft Resolution can be sent to resolutions@scout.org or communicated directly to the Resolutions Committee at the World Scout Conference.

When the Draft Resolution is presented at the World Scout Conference, the Chairperson will give the proposing MO the floor to explain the Draft Resolution being proposed. This is the final moment where the proposing MO may decide to withdraw its Draft Resolution. After this moment, the Draft Resolution goes to the Conference for a decision.
2. Amendments

2.1 Proposing an Amendment

See RoP Rule 6.3 for further information about proposing an Amendment to a Draft Resolution.

It is encouraged to submit Amendments well in advance of the World Scout Conference to take advantage of the increased preparation time and time given for debate. Amendments to Draft Resolutions can be submitted up until 36 hrs before the start of the first voting session for Conference Resolutions.

With regards to any Draft Resolutions pertaining to Constitutional Amendments, or other topics listed in RoP Rule 6.1.d, please pay special attention to RoP Rule 6.3.g which states:

No amendments to proposals submitted in accordance with RoP Rule 6.1.d may be accepted, except those which either
- remove ambiguities or otherwise clarify the draft which has been circulated, or
- in the opinion of the Resolutions Committee represent an intermediate position between the Draft Resolution and the current position or policy.

Additionally, any Member Organization wishing to submit Amendments to proposals submitted in accordance with Rule 6.1.d (Constitutional Amendments), may do so until 24 hrs before the first voting session for Constitutional Amendments (proposals in accordance with Rule 6.1.d).

### 2.3 Considerations

The following considerations need to be taken into account when putting forward Amendments to Draft Resolutions.

- Any proposed Amendment to a circulated Draft Resolution must be related to the topic raised in the circulated Draft Resolution.
- Any proposed Amendment cannot completely change the subject matter of the circulated Draft Resolution.
- Any proposed Amendment must take into account the considerations listed in item 1.3 above.
- Any proposed Amendment must be of substance. Do not submit Amendments to correct spelling and grammatical errors.
- Amendments can be submitted in either English or French. The World Scout Bureau will arrange translation.

In case the MO’s delegation feels the translation provided does not reflect the spirit/substance of the Amendment in its original language, please contact the World Scout Bureau directly through resolutions@scout.org

Amendments may be submitted to proposals made under RoP Rule 6.1.d 24 hrs before the first voting session for Constitutional Amendments (proposals in accordance with Rule 6.1.d) if they are clarifications or intermediate positions, as stated in RoP Rule 6.3.g.

3. Emergency Resolutions

3.1 Proposing an Emergency Resolution

Although it is highly recommended that Draft Resolutions are submitted in advance of the World Scout Conference, it is realised that matters of critical importance and urgency could come up at the last minute and might need to be considered by the World Scout Conference when in session. These critically important and urgent resolutions are referred to as “Emergency Resolutions”.

See RoP Rule 6.5 for further information about Emergency Resolutions.

3.2 Timeline

<table>
<thead>
<tr>
<th>Timing</th>

<th>Who</th>
</tr>
</thead>
<tbody>
<tr>
<td>Four months and up to 36 hrs before the first voting session for Conference Resolutions</td>
<td>Submission period for Emergency Resolutions</td>
<td>Member Organizations World Scout Committee</td>
</tr>
</tbody>
</table>

Note: Month = a full calendar month

3.3 Considerations

Emergency Resolutions should take into account the same considerations as Draft Resolutions outlined in section 1.3 of these Resolution and Amendment Guidelines.

To propose an Emergency Resolution, it must be seconded by nine other MOs. If the MOs seconding the Emergency Resolution are members of a Region, they shall come from at least three different Regions. The same will apply for Amendments to Emergency Resolutions that are moved directly from the floor during the consideration of the motion.

It is not anticipated that an Emergency Resolution will be needed very often. However, the opportunity is provided within the World Scout Conference Rules of Procedure should a resolution be needed at the last minute.

Emergency Resolutions cannot be used for matters that have simply been forgotten or not acted on within the communicated timeline.

These following definitions of Urgent and Important will help in clarifying what is an Emergency Resolution.

Urgent

Urgent refers to an Emergency Resolution which is about a matter which has come to light between the Draft Resolution submission deadline of three months before the Conference and the start of the World Scout Conference, and which cannot be postponed to a subsequent meeting of the World Scout Conference.

An urgent matter may arise due to something that has happened in the three months prior to the World Scout Conference and which affects Scouting. This might include issues affecting WOSM such as government upheaval, political strife, global disaster, a required change in a policy or working method, etc.

To consider if the matter is sufficiently urgent to be put forward as an Emergency Resolution, ask:

*Is the proposed Emergency Resolution of such urgency that it cannot be delayed until the next meeting of the World Scout Conference or taken to a postal ballot at a later date?*
Important

Important refers to an Emergency Resolution which is about a matter of such importance that it requires the immediate attention of the World Scout Conference in session.

An important matter is something which cannot be dealt with by other WOSM bodies such as the World Scout Committee, its standing committees, Regional Committees, WOSM MOs, or the World Scout Bureau.

This might include issues affecting WOSM such as government upheaval, political strife, global disaster, a required change in a policy or working method, etc.

To consider if the matter is important enough to be put forward as an Emergency Resolution, ask:

*Is the topic of the proposed Emergency Resolution of such importance that it requires immediate attention of the World Scout Conference in session?*
