1. From your responses above, answer the following questions-
 - a. How many single-use plastic items have you **not** used in the past 2 months?
 - b. Which is the most common source of single-use plastic for you?
 - c. Where does most plastic you use eventually end up?

AUDIT YOUR PLASTIC FOOTPRINT

Start your war on single-use plastics by first assessing where you stand with the audit below.

1. Circle the plastic objects that you have used in past 2 months, place a check by the frequency of use and the sources from where it reaches you
