INTERNATIONAL SCOUT CAMPS IN SLOVAKIA

Dear scout friend!

In a few months, we are going to have a nice summer time. Every year, our scouts look forward to taking part at summer scout camp, because here, they can live the adventure, experience lot of games, see beautiful nature, breathe mountain air and simply be free.

On behalf of Scouting Slovakia, we would like to kindly invite you to take part as guests in our scout camps. The best way for sharing experiences, making new friends and get to know new traditions/ games and match more. We hope that this simple project can start real cross-border cooperation on group/patrol level.

You can find all relevant information about the available scout camps in this info letter.

Sincerely Yours in Scouting,

Barbora Müllerová

ACCOMMODATION

Accommodation will be provided in hiking tents or the Indian tee-pee tent or special scout tents with wooden walls. There will be no electricity connection at camps, but usually, there are some solar panels for charging phones and low current devices.

FOOD

Meals will be provided for a whole period of stay. Of course, five times a day (breakfast, snack, lunch, snack, dinner). Usually, at the camp, they cook a variety of dishes from various cuisines. It is necessary for everybody to bring their meal set with deep plate, spoon, knife, fork and cup.

WHAT TO PACK

We are scouts, so don't forget to bring your Scout uniform (maybe more scarfs for exchange), your national flag and of course something for the international evening and one special game, which we will play together.

TRANSPORTATION

Transportation is the only one thing, you have to manage by yourself, but don't be afraid. We can help organize your journey in Slovakia and we will assist you with buying the tickets for trains/buses/etc.

APPLICATION

If you want to participate in one of our scout camps, which I believe you want, please contact the coordinator or directly a camp person (with a copy to coordinator) as soon as possible until **May 1th, 2018**. If you are planning to arrive with scouts under 18 years of age, please let us know, because we will need more details about your young participants.

CAMPSITES LIST

CAMPSITE HODRUŠA

The campsite is a typical Slovakian Scout base, with 34 beds in „podsada“ tents, cooking on a field cooker, a field canteen, open campfires and field showers. The only permanent buildings are the toilets. The Scout base is quite large, so it offers more space for your own tents with the maximum capacity is 120 visitors. Situated just two hundred meters from the lake, this campsite offers a lot of fun during hot summers. Discover the beauty of Slovak nature and the hospitality of Slovak Scouts!
