

2020 National Rover Conference

9th to 13th February 2020

The General Association of the Scouts of China (Taiwan)

Greetings from Taiwan!

We are pleased to inform you that The General Association of the Scouts of China (Taiwan) is organizing the 2020 National Rover Conference on 9th -13th February 2020.

The National Rover Conference is an annual significant gathering for rovers all over Taiwan. It gives young people the avenue to enhance their skills in decision-making at the institutional level of Scouting, to provide opportunities for rovers to take parts in youth involvement, and to discuss and express their opinions in different issues.

In Taiwan, each rover group can send two delegates and four observers. TGASC and our National Rover Committee of TAGSC encourage young people (Rovers) from Asia-Pacific Region as observers to join the conference. We would like to welcome your rovers here to share experiences and boost the diversity of this conference.

Participants who are interested and willing to share and discuss ideas with fellow Rovers are welcomed to join the 2020 National Rover Conference. It is highly appreciated if your NSO can help us to invite young people (rovers) with a maximum of six participants.

Please complete the attached **Reply Slip** and send it **not later than 10th January 2020** with a copy. We will reply with a second confirmation email which attaches online registration form (the deadline of online registration is set on 17th January) and further introduction of Taiwan to personal e-mail address in 10 working days. We encourage you to give copies of these documents to your participants so that they may have a more thorough view of this event.

We truly appreciate your cooperation in making this the 2020 National Rover Conference of TGASC a success and hope to see you at the conference.
