To: International Commissioners
National Programme Commissioners

29 July 2003

Dear Colleagues:

World Programme Policy: A Survey

Greetings from Manila!

One of the objectives of Asia Pacific Region, stated in Vision 2013, is to make an evaluation of the progress of the World Programme Policy through a survey at national level. This survey has been developed to provide information and assist the Youth Program Sub-Committee of the Asia Pacific Region in achieving this objective. Furthermore, this information will be used by the APR Youth Programme Sub-Committee to provide assistance to National Scout Organisations to improve the quality of youth programme.

Each National Scout Organisation (NSO) is requested to complete this survey based on its specific Youth Programme. The statements in the survey form have been developed based on the World Scout Bureau Publication (©1990-1992), *Youth Programme: The World Programme Policy* (if you have access to the internet, you can [click here](#) to download the document).

Please complete the attached survey form and we will appreciate it if you can send this form to us **on or before 1 October 2003**. Thank you for your cooperation.

Best regards.

Sincerely yours,

Abdullah Rasheed
Regional Director
