#ScoutingForAll
The APR DIVERSITY and INCLUSION CHALLENGE

Are you ready for a Challenge?
Diversity and Inclusion is one of the Strategic Priorities of the World Organization of the Scout Movement (WOSM) under Vision 2023. Over the years, WOSM has made efforts to make Scouting inclusive by valuing the diversity of local and national communities. Scouts and young adults in Scouting have been involved in significant projects that are making a great impact in their communities and raising Scouting’s profile in this area.

WHY are we launching this challenge?
This challenge is a part of the initiative of the World Scout Bureau Asia-Pacific Support Centre to promote Diversity and Inclusion in the Asia-Pacific Region, funded thru the Messengers of Peace Support Fund. Furthermore, we want to promote and reinforce Scouting as a movement that values diversity and is inclusive and open to all.

WHY should you participate?
We are requesting National Scout Organizations to promote the challenge to their Scouts or Scout groups and contribute to the region’s promising practices on Diversity and Inclusion. If the project is selected, it will be recognised by the APR Scout Committee and promoted as an example of a promising practice across the region. Five projects will be selected through a screening process and will receive funding amounting to USD 3,000.00 per project.

WHO can participate?
This challenge is open to all duly registered Scouts or Scout groups from National Scout Organizations in the Asia-Pacific Region.
