Dear Colleagues,

Greetings from the Asia-Pacific Support Centre!

This is to draw your attention on the World Scout Emblem, World Scout Brand Logo, the Asia-Pacific Regional Logo, and the Messengers of Peace Logo. We would like to request all of you to help us in protecting our Brand as this is not only a challenge for WOSM but also creates issues at national and local levels. For your information, all the logos are registered and protected and their use without appropriate license is unethical and illegal.

The World Scout Emblem is the distinctive symbol of our movement and is worn by Scouts worldwide. It is one of the best-known symbols on the planet. The World Scout Emblem has not changed. It is a protected symbol and is therefore subject to licensing restrictions. WOSM is the owner of the trademarks and has given the responsibility to the World Scout Bureau, as the legal entity representing WOSM.
