Dear Colleagues,

APR Workshop on Strategic Partnership

Sharing Values • Generating Projects • Telling the Stories

We are very pleased to announce that Bangladesh Scouts will host the APR Workshop on Strategic Partnership on 10-13 October 2017.

It is widely acknowledged that effective alliances with partners have widened the dimension of Scouting, and sharing Scouting's values with others reinforce our Vision "Creating a better world".

This workshop on Strategic Partnership will expound and re-emphasis partnership as defined in The Marrakech Charter: *The establishment of a voluntary and collaborative relationship to achieve mutual goals and experiences between two or more entities by exchanging and sharing what they have, in an educational process or project. They have a common intention which they want to reach within a defined time frame.*

Workshop Objectives

1. Understand and explore the positive impact of strategic partnership by sharing best practices at world, region and local levels
2. Identify existing and potential partners – government, non-government, business, educational institutions, foundations, UN agencies, civil society – what they do and what Scouts can offer to achieve similar goals
3. Learn how to tap potential partners, develop and generate sustainable projects, combine resources and expertise, expand and grow as partners
4. Highlight the educational process of partnership as well as its social dimension through shared values and advocacy, resource mobilisation, humanitarian action, etc.
5. Learn the skills of telling and sharing partnership stories
