Appeal to help Nepal earthquake survivors

Dear Colleagues,

Last Saturday, a massive earthquake hit Nepal and its neighboring countries, claiming lives and properties and displacing families.

The Scouting community expresses deep concern for the people of Nepal, and hope for their safety, strength and the will to recover.

Today we appeal to Scouts – as individuals, groups, or as a national association to offer assistance that would cater to short term, medium and long term needs of survivors.

Short term assistance provides for emergency relief and contingency measures such as medicine, food, water and temporary shelter. Medium and long term will cater to recovery measures such as rebuilding social structures and infrastructure, training on disaster risk reduction, and environmental restoration.

For messages of support and assistance, please contact:

Mr Rabin Dahal Chief Commissioner
rabin@nepalscouts.org.np

Or for financial assistance, please send to World Scout Bureau, Asia-Pacific Regional Office at the following account:
