### **APR Specialists Panel**

Dear Colleagues,

Greetings from the Asia- Pacific Support Centre!

We are pleased to share the updated list of the APR Specialists Panel. This special pool of experts has been part of the regional workshops and trainings.

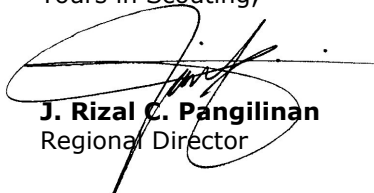

As you would recall, it was in 2012 when the APR Specialists Panel was established with a view that within the Movement, we have expertise available in various areas that are essential to NSOs for effective operations. We can mutually make use of these experts in strengthening our internal capabilities.

We are sharing this list which has 65 members from 11 NSOs as of today, with two intentions:

1. NSOs who may be looking for expert guidance or resource person to build their internal capacity in any of the areas listed, may either contact directly the respective member of the Specialists Panel with copy to the respective NSO and to Asia-Pacific Support Centre for support. Or you may just contact us and we will coordinate in getting the support. For details, you may refer to the attached Concept Paper and Terms of Reference.
2. You may have available leaders with expertise in one of the 17 areas listed in the members information sheet, who may be willing to extend their service to other NSO or the region. You can recommend them to become member of this panel by sending us the completed Members Information Sheet (attached).

We hope that NSOs will make full use of this support available in building capacities to better serve our members.

Yours in Scouting,

**J. Rizal C. Pangilinan**
