This year, at Kandersteg International Scout Centre, the 5th annual International Rover Week will take place. Between the 28th of July and the 8th of August, Rovers from around the world will gather in Switzerland to share the experience of the Permanent Mini Jamboree. The premise is simple: Rovers join to live together for 12 days to share wonderful experiences in the heart of the Swiss alps.

The programme of activities is always diverse at International Rover Week, and this year you can expect to find some beautiful hiking trails, including breathtaking glacial lakes and a night at one of KISC’s own mountain huts. A “Wet n’ Wild” evening at the outdoor pool will be a nice chill out to cool you down, whilst August 1st celebrations bring a carnival of fun and games to celebrate Swiss National Day and Scouting Founder’s Day with over 1,000 other Scouts.

As the World Scout Centre, KISC will be providing the Alpine Link to the World Scout Jamboree in Japan this year. The “Spirit of Unity” theme of the Jamboree, will be seen throughout your stay, as dedicated KISC Staff will stay with you and ensure that the group has the best time possible.

Now in it’s fifth year, International Rover Week will continue to grow on previous years, making it a must for any enthusiastic Rover wishing to meet International Scouting in the best possible way.

If you have any further questions about International Rover Week or want to make your booking, visit the website: www.kisc.ch, or send an email to programme@kisc.ch.
