Dear friends,

**Re: Africa Scout Region Enters into Partnership with UNICEF-ESARO**

The Africa Scout Region has entered into a regional partnership with the UNICEF Eastern and Southern Africa Regional Office that works across 21 countries in Sub Sharan Africa. This is a follow up to two previous global MOUs signed between UNICEF and WOSM. The collaboration for this year is focusing on the following areas:

1. Adolescent engagement for climate change mitigation and awareness;
2. Engagement and behaviour change around adolescent nutrition;
3. Adapting and promoting UNICEF’s innovative platforms (Internet of Good Things, U-Report and others) for learning, information sharing and engaging adolescents on programme priorities.

Beyond the work conducted at the regional level, we also encourage you to consider collaborations between your National Scout Organizations and UNICEF Country Offices, including for the COVID-19 response initiatives. Attached you will find a list of the contacts for the UNICEF Country Offices Communication for Development Managers to facilitate the communication. In all engagement, we request that you keep WSB Africa informed.

As a consequence of the partnership, UNICEF ESARO will also support with assessing and building the capacity of the World Scout Bureau Africa Support Centre (WSB Africa) on Preventing Sexual exploitation and abuse. NSOs that enter into national-level partnerships with UNICEF will also be required to undergo the same process.

This partnership with UNICEF-ESARO will enable us to strengthen our youth engagement on climate change, food for life project, integration of digital innovations into the delivery of youth programme in the region, as well as enhance our Safe From Harm practices.

For support in developing a relationship with UNICEF or formalising your collaboration with a partnership agreement, please consult the Partnerships Service on the WOSM Service Platform on services.scout.org/service/12. For further information, questions and support please contact Nelson Opany, Manager, Communications and Partnerships (nopany@scout.org).

Yours in Scouting,

For and on behalf of the Africa Regional Team,

Yours in Scouting,
